Members of the Special Committee on Health Care Reform Implementation

Dear Senator  Erpenbach:

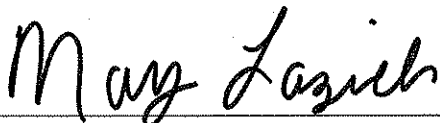

We have reviewed the activity of the various special committees appointed by the previous Joint Legislative Council. Many of these committees completed their assignments earlier this year and have forwarded their final reports to us. The Special Committee on Health Care Reform Implementation has been awaiting further action. The committee co-chairs have recommended no further committee meetings.

Thank you for your service on the committee. The work you did will help in the process that Wisconsin uses to develop a health care exchange. Going forward, the Legislature will be working with the Governor and the various stakeholders to create a Wisconsin answer to this issue.

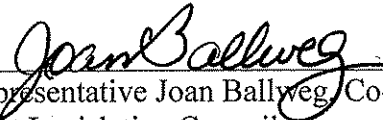

Your participation in this committee has played a valuable role in the collection of vast amounts of good information that will be consulted as this issue continues to be reviewed and addressed by state government. While the committee will not conduct further meetings, the information assembled will be retained.

We greatly appreciate your assistance to the Wisconsin Legislature and service to the people of Wisconsin.

Sincerely,

Senator Mary Lazich, Co-Chair
Joint Legislative Council

Representative Joan Ballweg, Co-Chair
