CMS announced the Performance Year 2 quality performance results for Pioneer Model ACOs. The quality performance results provided in the Performance Year 2 announcement reflect Calendar Year 2013 performance rates for 23 Pioneer ACOs across 35 clinical quality measures. The Calendar Year 2013 mean quality performance rate for each measure, across all Pioneer ACOs, is also provided.

[^]Measures marked with a caret (^) are measures where a lower performance rate is indicative of better quality.
