RE: Variance Request per Wis. Stats. § 450.02(3m)

Dear Ms. Womack,

On March 25, 2020, the Wisconsin Pharmacy Examining Board reviewed your variance request. You requested a variance of Wis. Stats. § 450.03(1), to **allow pharmacists who are licensed in good standing in other states, United States territories, and the District of Columbia to practice pharmacy in the state of Wisconsin without a Wisconsin license.** The stated purpose of the request is to compensate for a shortage of pharmacy staff during the COVID-19 emergency.

The Board considered the evidence presented and determined that the requirements of Wis. Stats. § 450.02(3m)(a) have been met. **Your variance, as requested, has been granted.** This variance shall apply to all persons licensed in good standing to practice pharmacy in another state, United States territory, and the District of Columbia, and shall remain in effect for 90 days from today's date pursuant to Wis. Stats. § 450.02(3m)(b), unless modified or extended by further action of the Pharmacy Examining Board.

Please feel free to contact me if you have any questions.

Sincerely,

Jameson R. Whitney
